Description

Description
A second-skin foundation with high-performance perfecting and coverage. Its innovative formula, 99% natural and silicone-free, guarantees flawless cosmetic performance and the hydrating benefits of a skincare treatment. The secret to this extraordinary performance lies in pigments coated with avocado butter, an advanced technology that provides deep hydration and unprecedented smoothness.

Its creamy texture transforms into a veil of liquid silk upon application, enhancing skin with an even, supple, and ultra-fine demi-matte finish.

The result is a perfected, soft, and silky complexion. Dyschromia, fine lines, and signs of aging are minimized. Its conditioning formula protects skin from free radicals, improves elasticity, and prevents premature aging. Hydrated and nourished, skin appears younger and more radiant over time.

Suitable for all ages and skin types, even the most sensitive and mature.

Available in 4 neutral shades that blend harmoniously with the complexion.
