Description

MOISTURIZE

PREVENT

PROTECTION

Face cream rich in **anti-aging**.

With **nourishing and moisturizing active ingredients** which, day after day, take care of the skin protecting it from premature skin aging.

Hyaluronic acid and panthenol offer the **maximum hydration**, while shea butter and olive oil **contrast the signs of aging** and help the skin **find tone and brightness**.

Ensures **effective sun protection**, defending the face skin from UVA and UVB rays thanks to the presence of a **sunscreen SPF 30**.

NICKEL TESTED and VEGAN OK.

Main Assets

HYALURONIC ACID

Fundamental component of the dermis, it's an active ingredient with high moisturizing capacity. It allows the skin to hydrate quickly and abundantly, restoring the correct skin elasticity.

SHEA BUTTER

It has emollient, antioxidant, soothing, nourishing and moisturizing properties, very rich in unsaponifiables that stimulate the synthesis of collagen. Preserves the natural elasticity of the skin.

HAMAMELIS EXTRACT

The extracts and distilled water obtained from this plant have decongestant, astringent and emollient properties. Thanks to the high amount of active molecules such as tannins and flavonoids, it also shows important antioxidant and anti-inflammatory properties.

OLIVE OIL

Promotes the development of all the activity of the dermis, stimulates the cells that produce collagen and elastin. It therefore simultaneously has a regenerating, anti-aging, moisturizing and nourishing action.

PANTHENOL

With moisturizing properties, panthenol is also indicated for its emollient and soothing properties such as, for example, to reduce erythema and dermatitis.

JAPAN HONEY WHEEL

Has soothing properties, reduces redness, nourishes and protects the skin making it shiny. It has a good tonic-astringent action on the skin.

All The Ingredients

Aqua / water, Dicaprylyl Carbonate, Ethylhexyl Methoxycinnamate / Octinoxate, Dicaprylyl Ether, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Glyceryl Stearate, Caprylic / Capric Triglyceride, Glycerin, Octocrylene, Alcohol, Hamamelis virginiana (Wax).
