Main Assets

ALOE JUICE

Obtained from the aloe barbadensis leaf, it has countless beneficial effects consolidated by a millennial use and supported by scientific studies: moisturizing, soothing, refreshing and regenerating.

ORGANIC SHEA BUTTER

It has emollient, antioxidant, soothing, nourishing and moisturizing properties and preserves the natural elasticity of the skin.

ORGANIC COCONUT OIL

Excellent nourishing, it protects the skin preserving it from dryness and making it silky and elastic.

VENERE RICE EXTRACT

Thanks to the anthocyanins naturally present in this variety, Venere Rice helps to counteract cellular aging by carrying out an antioxidant and protective action.

SUNFLOWER SEED OIL

Moisturizing and protective, it contains lipids very similar to those naturally present in the skin, which help restore the skin's hydro-lipid film.

VITAMIN E

Performs an anti-free radical and antioxidant action, contributes to the maintenance of the proper functioning of the connective tissues.
