## Description

### Description

Combines the precision of a pencil and the creaminess of a lipstick in an innovative, pH-sensitive formula: transfer-free, kiss-proof, and waterproof.

The special pH-reactive technology ensures vibrant color and flawless hold, from morning to night. The final result depends on the pH of the lips, revealing a unique and personalized shade.

Its soft and creamy texture ensures maximum comfort, even filling, and long-lasting hydration. Used as a lip liner, it provides absolute definition and long-lasting wear. Its natural, highly emollient formula cares for lips, leaving them soft and luminous all day long.

It is available in 4 different, ultra-pigmented shades with buildable intensity:

PESCA – PEACH – pinkish nude for a natural and delicate look

CORALLO – CORAL – orangey pink with a warm and luminous touch

PEONIA – PEONY – bright pink for a brilliant and bold effect

MALVA – MALLOW – dark pink tending towards purple, deep and seductive

### Properties

Natural nourishing and emollient formula with coconut oil and plant waxes.
