Description

Description?

Natural make-up has never been so glamorous with Diamond Bronzer, the perfect fusion of bronzer e illuminating enclosed in an elegant two-tone texture limited edition.

Its mélange of warm and luminous pigments warms and revives the natural beauty of the complexion, giving in a single gesture an enviable sun kissed effect it's a finish glow elegant and radiant.

Property

Its silky and ultra-smooth texture is the result of a natural emollient and antioxidant formula based on **jojoba oil** ed **horse chestnut extract**, two ingredients that hydrate and protect the skin without weighing it down, leaving it incredibly soft and velvety.

UP TO 98,8% INGREDIENTS OF NATURAL ORIGIN

The case has no leaflet for a greener approach and is reduced to a minimum to avoid any form of waste. It is made with a blend of multiple types of fibers, coming from FSC® certified forests, recycled pulp, controlled wood or wood from ethical sources. It was produced by a B Corp certified paper converting company that adopts low environmental impact production processes.

Product made without the use of any ingredients of animal origin and without any animal exploitation.
