Description

STRAWBERRY CLEANSING BODY SCRUB with strawberry seeds, brown sugar, sea salt crystals and vegetable glycerin.

Sweet and delicate bouquet with intense red color like the most ripe strawberries.

2 in 1 cleansing body scrub with a soft gel texture and fruity fragrance that transforms exfoliation into a greedy and ultra-sensory wellness ritual.

Enriched with kiwi seeds, cane sugar and sea salt crystals.

Has a smoothing and softening action.

The synergy of natural scrubbing agents, delicate surfactants and vegetable glycerin removes impurities and dead cells, stimulating cell renewal, for an immediately smooth, soft and radiant skin.

Product manufactured in a production site that uses only renewable energy and low environmental impact production logics, reducing CO2 emissions to the minimum possible.

The unique smoothie cup-inspired case is made from 100% recycled FSC paper.

Dermatologically Tested, Nickel Tested, Vegan OK.

99% of the ingredients are natural.

Main Assets

SODIUM CHLORIDE: Sodium chloride, also called table salt or sea salt, is a mineral that has various activities on the skin:

- smoothing, thanks to the mechanical action of the salt crystals. Eliminates dead cells and promotes cell renewal;
- purifying, eliminates accumulated impurities and toxins from the epidermis.

Thanks to the contribution of water and salt, we put our body in the best conditions to be able to regenerate. The salt also has a draining power and leaves the skin in the best condition to receive subsequent beauty treatments. This salt of marine origin was extracted from Sicilian rock salt deposits.

SUGAR CANE: Its natural nourishing and softening action, combined with its smoothing action, make it perfect for an effective and at the same time delicate scrub.

KIWI SEEDS: Natural scrubbing agent consisting of kiwi seeds with a high content of omega-3 and tocotrienols and polyphenols with strong antioxidant action. The selected particle size combined with the natural consistency of the active ingredient guarantee an effective exfoliating action.

VEGETABLE GLYCERIN e ETHYLHEXYLGLYCERIN: Vegetable glycerin and its derivatives are able to absorb humidity from the air regardless of environmental conditions. They have moisturizing, lubricating and emollient properties and therefore leave the skin soft and well hydrated.

COCO GLUCOSIDE: Surfactant of vegetable origin, biodegradable, obtained from renewable raw materials such as coconut oil and fruit sugar.

All The Ingredients

SODIUM CHLORIDE, SUCROSE, GLYCERIN, AQUA (WATER), ACTINIDIA CHINENSIS SEED (ACTINIDIA CHINENSIS (KIWI) SEED), COCO-GLUCOSIDE, CAPRYLIC / CAPRIC TRIGLYCERIDE, XANTHAN GUM, CAMEL, TETRASODIUM, COCO-GLUCO), DIETHYLHEXYL SYRINGYLIDENEMALONATE, PHENOXYETHANOL, LINALOOL, CITRONELLOL, CI 19140 (YELLOW 5), CI 42090 (BLUE 1).

How to Use

Apply a small amount of scrub to damp skin and massage with light circular movements. Rinse with warm water.

Ideal all year round as a weekly beauty treatment, before summer to prepare the skin for the sun and after the holidays to renew cell turnover and sublimate the tan.

250 ml / 8.45 fl. oz
