Description

**REUSE, RECYCLE, SAVE!**

By choosing a refillable product you save money and help reduce waste and environmental impact.

Compact powdered earth with a soft and velvety sensoriality, very easy to blend.

Light and enveloping, it gives the face a **sun kissed effect** warm and natural, perfect in every season.

The packaging with the **magnetic refill system** allows you to recharge the product once finished.

Property

Natural emollient and anti-free radical formula with **plant ceramides, horse chestnut extract, jojoba oil** and **Vitamin E**.

**99% NATURAL INGREDIENTS**

**NICKEL TESTED <0,0001%**

Container **PLANET FRIENDLY** Made with 50% recycled and refillable plastic.

The case has no leaflet for a greener approach and is reduced to a minimum to avoid any form of waste. It is made with a blend of multiple types of fibers, coming from FSC® certified forests, recycled pulp, controlled wood or wood from ethical sources. It was produced by a B Corp

certified paper converting company that adopts low environmental impact production processes.

Product made without the use of any ingredients of animal origin and without any animal exploitation.
